entirity, dated 7-25-95

Roy It will probably be April '96 when he can restart his business. He
will be back at that time and plans to carry on the same. Thank you for
your patience. Paulu (sister)

That is a year's wait, hope there is someplace else to find parts til
then !.....

If interested in Delaware, let me know. I plan on doing some operating from
there in the near future. Just don't know exactly
where yet.
